

causes we care about

Giving back is part of our mission and our affiliations with important national and regional causes represent an essential part of our company's goal of "making everyday living an art." A portion of the proceeds from the sales of the designs shown here is donated to their related cause. Contact us at 800-927-5470 x1 or email wholesale@angellamoore.com for details on creating a sponsorship program for your cause.
